NO. 48 NORTH TENTH STREET,

PHILADELPHIA:

GEO. S. HARRIS, PRINTER, S. E. COR. FOURTH AND VINE STREETS.

1862.

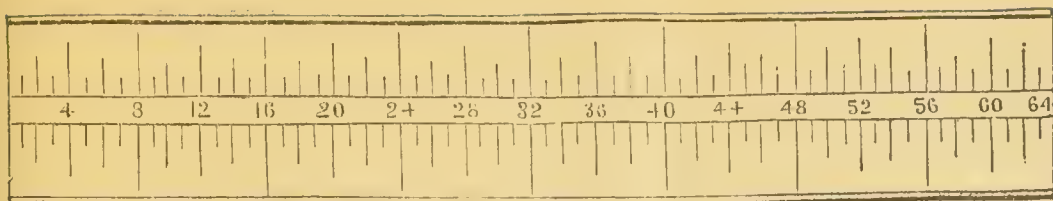

PHILADA., 48 NORTH TENTH ST.,
19th Feb., 1862.

In offering the present Collection of Coins for sale, I beg to state, that I always feel great difficulty in describing accurately the condition of the pieces. I have however endeavored to give those interested in the collection of Coins, as near as possible, a correct idea of the condition of every Coin in the subjoined Catalogue

Those acquainted with the Colonial Coins are fully aware how very few pieces of this series are at any time found in such a condition as to be strictly called *fine*, as a specimen of coinage, but are truly so, in comparison with the general run of these types.

The attention of Collectors is particularly drawn, in this case, to the description and rarity of some of the Dimes and Half Dimes, and especially to the extremely rare Colonial pieces and Silver Medals, as such a selection has seldom, if ever, been offered for sale in this city or elsewhere.
